4. GENERAL

a) Diploma in Pharmacy Part-I and Diploma in Pharmacy Part-II shall include the courses as given in the Tables I & II (Annexure-I). The number of hours devoted to each subject for its teaching is given against columns 4 and 5 of the Tables I & II (Annexure-I). Theory and practical are to be considered as individual courses. D.Pharm. syllabus shall have the following structure in every course.

Scope: These are broader statements on the purpose of the course in the curriculum, key contents of the course that will contribute to the specific knowledge and or skill developments. The teacher is expected to orient the students about the scope of the particular course at the beginning and intermittently.

Course Objectives: The course objectives describe the key topics that are intended by the teacher to be covered in the course. In general, these are more specific than the scope and broader than the course outcomes. The teacher is expected to discuss the objectives of the course with the students and breakdown the course objectives into micro levels as objectives of a specific topic/objectives of a specific lecture, etc. Such an exercise shall make the students to understand the significance of the course/topic/lecture and enhance their attention on the course/topic/lecture.

Course Outcomes: The course outcomes are more specific than the course objectives describe that describe the abilities of the students to perform/act upon successful completion of the course. Hence, conventionally the course outcomes are described with verbs that are measurable or observable actions. The teacher is expected to describe the desired outcomes of the particular course, so that the students shall understand the various assessment criteria, modalities, and

parameters. This also serves as a broader guideline for the teachers for preparing the assessment plan. A well-structured assessment plan associated with the course outcomes shall enable to mapping with the professional competencies and their attainment levels that are attributed to the program outcomes.

Theory Courses: The theory courses basically provide concepts and explain the relationships between the concepts. Understanding of the theoretical courses enables thestudents to identify the problems in real life situation and make a plan for addressing such problems. Also, the theory course helps to understand what is not known and thus is thetool for accumulation of knowledge. The syllabus of the theory courses has been systematically and logically described as different chapters and the minimum number of hours to be spent on teaching is mentioned chapter wise and course wise. The teachers shall further distribute the total hour's o any given chapter among the sub-topics as required by the subject matter.

Practical Courses: The practical courses are designed for applying the theoretical knowledge in the given experimental / simulated conditions. The practical courses deepen the understanding of the theories, develop the skills, hone professional competencies, provide opportunities to observe, think and analyses problem solving methods. Further, they help to gain experience with the real things in practice. The teachers shall train the students in actual / simulated practical conditions.

Tutorials: The purpose of the tutorial hour is typically to engage the students in smaller groups in order to pay a closer attention on their learning process. This is an opportunity for the students to complete their assignments, develop specific skills and discuss any problems in the study topics in a less formal way. During the tutorial hour, the students shall exchange their ideas within the small group, and learn to accept constructive criticism and listen to others. Also, the tutorial hour enables the teachers to closely monitor the progress of the individual student and provide additional academic support to individuals, if necessary.

Assignments; The purpose the assignment are to encourage the students for self-directed learning. Further, the assignments will provoke critical thinking; enhance the skill such as literature search, data mining, data interpretation, report formatting, time-management and written communication. This is also a mode of self assessment for the student about the level of understanding of the concepts of a particular course. The teachers shall apply their knowledge and wisdom in choosing the assignment topics at a micro level in alignment with the topics given in the syllabus. The assignments shall be evaluated against a set of criteria. A typical format for the assessment of an assignment is given in Appendix-I.

Field Visits: The purpose of field visits is to provide a real-world experience to the students. The field visits will help them to realize that what they learn within the

walls of the classroom/laboratory can help them solve the problems they see in the world around them. Also, this is helpful to the teachers to widen their horizons of knowledge and broadening the scope of the syllabus. Every student shall submit a report describing their objectives, experience, learning points, etc. pertaining to the field trip, in the typical format given in Appendix-2.

Recommended Books: For each course, a list of recommended books is given in the syllabus. The list shall be considered as an important and common resource for the teaching-learning process, but not the complete list. It is always encouraged to use the latest edition of the books specified. Further, the

Practical Training: The goal of the practical training for the students is to provide a real-time, supervised experience on the professional tasks emphasized in their course of study. Further, it helps teachers and students are encouraged to explore more primary, secondary, and tertiary resources as required.them to apply their acquired knowledge and skills in the professional working environment. The practical training intensively prepares the students with adequate competencies and qualifications required for the career opportunity in the future.

Thus, the D.Pharm, syllabus is designed to nurture the students in all the three domains of Bloom's Taxonomy viz. cognitive (knowledge), affective (attitude) and psychomotor (skills). Further, it also provides ample of scope to the students for different learning styles viz. visual, auditory and kinesthetic, i.e., 'see, hear and do'.

The summary of the curriculum, courses and other activities and their metrics across the D.Pharm. program (Part I, II & III) are given here.

Criteria	Metrics
Number of subject areas (considering both theory & practical together)	11
Number o theory courses	11
Number of practical courses	10
Number of theory hours	825
Number of practical hours	600
Number of practical training hours	500
Number of tutorial hours	275
Number of course outcomes for theory courses	45
Number of course outcomes for practical courses	40

Number of courses which have given assignments	9
Number of assignment topics given	75
Number of assignment reports each student shall submit	27
Number of courses which have field visit	5
Number of field visit reports each student shall submit	9
Number of professional competencies	10

b) Examination: There shall be an examination for Diploma in Pharmacy (Part-I) to examine students of the first year and an examination for Diploma in Pharmacy (Part-II) to examine students of the second year. Each examination may be held twice everyyear. The first examination in every year shall be the annual examination and the second examination shall be supplementary examination of the Diploma in Pharmacy (Part-I) or Diploma in Pharmacy (Part-II) as the case may be. The examinations shall have written and practical (including oral) nature, carrying maximum marks for each part of course, as indicated in Table III and IV (Annexure 2).

(i) **Sessional (Theory) Examinations**

There shall be three sessional (internal assessment) examinations during each academic year. The duration of the sessional exam shall be 90 minutes. The highest aggregate of any two performances shall form the basis of calculating the sessional marks. The scheme of the question paper for theory sessional examinations shall be as given below.

I.	Long Answers (Answer 3 out of 4)	3 × 5 = 15
II.	Short Answers (Answer 5 out of 6)	5 × 3 = 15
III.	Objective type Answers (Answer all 10 out of 10) (Multiple Choice Questions / Fill-in the Blanks / One word OR One Sentence questions)	10 × 1 = 10

Total = 40 marks

(ii) **Internal assessment**: The marks secured by the students out of the total 40 shall be reduced to 20 in each sessional, and then the internal assessment shall be calculated based on the best two averages for 20 marks.

(iii) Final Board / University Examination

The scheme of the question paper for the theory examinations conducted by the examining authority (Board / University) shall be as given below. The duration of the final examination shall be 3 hours.

I.	Long Answers (Answer 6 out of 7)	=	6 × 5 = 30
II.	Short Answers (Answer 10 out of 11)	=	10 × 3 = 30
III.	Objective type Answers (Answer all 20)	=	20 × 1 = 20
	(Multiple Choice Questions/Fill-in the Blanks/		
	One word OR One Sentence questions)		
			Total = 80 marks

(iv) Practical Sessional Examinations

There shall be three sessional (internal assessment) practical examinations during each academic year. The duration of the sessional exam shall be three hours. The highest aggregate of any two performances shall form the basis of calculating the sessional marks. The scheme of the question paper for practical sessional examinations shall be as given below.

I.	Synopsis	=	10
II.	Experiments	=	50*
III.	Viva voce	=	10
IV.	Practical Record Maintenance	=	10
	Total	=	**80 marks**

* The marks for the experiments shall be divided into various categories, viz. major experiment, minor experiment, spotters, etc. as per the requirement of the course.

(v) **Internal assessment:** The marks secured by the students out of the total of 80 shall be reduced to 10 in each sessional, and then the internal assessment shall be calculated based on the best two averages for 10 marks from the sessional and other 10 marks shall be awarded as per the details given below.

Actual performance in the sessional examination	=	10 marks
Assignment marks (Average of three)	=	5marks
*Field Visit Report marks (Average for the reports)	=	5 marks
Total	**=**	**20 marks**

* Only for the courses given with both assignments and field visit/s.

Note :

1. For the courses having either assignments or field visit/s, the assessments of assignments or field visit/s shall be done directly for 10 marks and added to the sessional marks.

2. For the courses not having both assignment and field visit, the whole 20 marks shall be calculated from the sessional marks.

(vi) **Final Board / University Examinations**

The scheme of the question paper for the practical examinations conducted by the examining authority (Board/University) shall be as given below. The duration of the final examination shall be 3 hours.

I.	Synopsis	=	10
II.	Experiments	=	60*
III.	Viva voce	=	10
	Total	**=**	**80 marks**

* The marks for the experiments shall be divided into various categories, viz. major experiment, minor experiment, spotters, etc. as per the requirement of the course.

5. Working out of Result

a) Mode of examinations:

Each theory and practical examination in the courses mentioned in Table-III & IV (Annexure-2) shall be of three hours duration. Candidate who fails in theory or practical examination of a subject shall reappear in such theory or practical paper (s) as the case may be. Practical examination shall also consist of a viva-voce (Oral) examination.

b) **Minimum marks for passing the examination:**

A student shall not be declared to have passed Diploma in Pharmacy examination unless he/she secures at least 40% marks in each of the course separately in the theory examinations, including sessional marks and at least 40% marks in each of the practical examinations including sessional marks. The candidates securing 60% marks or above in aggregate in all courses in a single attempt at the Diploma in Pharmacy (Part-I) or Diploma in Pharmacy (Part-II) examinations shall be declared to have passed in first class the Diploma in Pharmacy (Part-I) or Diploma in Pharmacy (Part-II) examinations, as the case may be. Candidates securing 75% marks or above in any course or courses provided he/she passes in all the courses in a single attempt, will be given distinction in that course (s).

c) **Eligibility for promotion to Diploma in Pharmacy (Part-II) :**

All candidates who have appeared for all the courses and passed the Diploma in Pharmacy Part-I class. However, failure in more than two courses (each theory paper or practical examination shall be considered as a course) shall debar him/from promotion to the Diploma in Pharmacy Part-II class. Such candidates shall be examined in the failing subjects only at subsequent examination.

d) **Improvement of Sessional marks :** Candidates who wish to improve sessional marks can do so by appearing in two additional sessional examinations during the next academic year. The average score of the two examinations shall be the basis for improved sessional marks in theory. The sessional of practicals shall be improved by appearing in additional practical examinations. Marks awarded to a candidate for Assignment and / or Field Visit Report, cannot be improved unless he/she attends a regular course of study again.

e) **Certificate of passing examination for Diploma in Pharmacy (Part-II) :** Certificate to having passed the examination for the Diploma in Pharmacy Part II shall be granted by the Examining Authority to a successful student.

5.0 EXAMINATIONS

5.1 There will be one University Examination at the end of each semester. These examinations will be designated as follows:

(a) During First Year

First Semester B.Pharm. Examination, Second Semester B.Pharm. Examination

(b) During Second Year

Third semester B.Pharm. Examination, Fourth semester B.Pharm. Examination

(c) During Third Year

Fifth semester B.Pharm. Examination, Sixth semester B.Pharm. Examination

(d) During fourth Year

Seventh semester B.Pharm. Examination, Eighth semester B.Pharm. Examination

5.2 The semester examination will generally be held in Nov.-Dec. and May-June in each year.

5.3 At the end of every semester, a letter grade is awarded in each course.

5.4 Project Work:

All the students shall undertake a project under the supervision of a teacher and submit a report. The area of the project shall directly relate any one of the elective subject opted by the student in semester VIII. The project shall be carried out in group not exceeding 5 in number. The project report shall be submitted in triplicate (typed & bound copy not less than 25 pages).

The internal and external examiner shall evaluate the project at the time of the Practical examinations of other semester(s). Students shall be evaluated in groups for four hours (i.e., about half an hour for a group of five students).

5.5 Industrial Training (Desirable) :

Every candidate shall be required to work for at least 150 hours spread over four weeks in a Pharmaceutical Industry/Hospital after the Semester – VI and before the commencement of Semester VII. It includes Production unit, Quality Control department, Quality Assurance department, Analytical laboratory, Chemical manufacturing unit, Pharmaceutical R&D, Hospital (Clinical Pharmacy), Clinical Research Organization, Community Pharmacy, etc. The student shall submit a typed and bounded report of such work and certificate duly signed by the authority of training organization to the head of the institute.

5.6 Practice School:

In the VII semester, every candidate shall undergo practice school for a period of 150 hours evenly distributed throughout the semester. The student shall opt any one of the domains for practice school declared by the programme committee from time to time.

At the end of the practice school, every student shall submit a printed report (in triplicate) on the practice school he/she attended (not more than 25 pages). Along with the examinations of semester VII. The report submitted by the student, knowledge and skills acquired by the student through practice school shall be evaluated by the subject experts at college Leveland grade point shall be awarded.

5.7 Educational Study Tour(Desirable):

For B. Pharm. Sixth semester students, an educational study tour to visit important manufacturing organizations is desirable. All students will submit a typed and bounded tour report after the study tour duly signed by faculty in charge(s).

5.8 The practical examination will be conducted respectively on course basis by internal and duly appointed external examiner.

5.9 A student shall be continuously evaluated for his / her academic performance in a subject through tutorial work, practical, home assignment, internal assignment, field work, seminars, quizzes, end- semester examinations etc. regularly, as proposed by respective Board of Studies from time to time.

5.10 Promotion and award of grades

A student shall be declared PASS and eligible for getting grade in a course of B.Pharm. programme if he/she secures at least 50% marks in that particular course including internal assessment. For example, to be declared as PASS and to get grade, the student has to secure a minimum of 50 marks for the total of 100 including continuous mode of assessment and end semester theory examination. Similarly, the student has to secure a minimum of 25 marks for the total 50 including internal assessment and end semester practical examination.

5.11 Carry forward of marks

In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in 5.10, then he/she shall reappear for the end semester examination of that course. However, his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

5.12 Improvement of internal assessment

A student shall have the opportunity to improve his/her performance only once in the Sessional examination component of the internal assessment. The re-conduct of the Sessional examination shall be completed before the commencement of next end semester theory examinations.

5.13 Re-examination of end semester examinations

Re-examination of end semester examination shall be conducted as per the schedule notified by the university from time to time.

5.14 Academic Progression

No student shall be admitted to any examination unless he/she fulfills the norms given in 4.1.

Academic progression rules are applicable as follows:

- A student shall be eligible to carry forward all the courses of I, II and III semesters till the IV semester examinations. However, he/she shall not be eligible to attend the courses of V semester until all the courses of I and II semesters are successfully completed.
- A student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of I, II, III and IV semesters are successfully completed. A student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of I, II, III, IV, V and VI semesters are successfully completed.
- A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to VIII semesters within the stipulated time period as per the norms specified in 11.
- A lateral entry student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of III and IV semesters are successfully completed. A lateral entry student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of III, IV, V and VI semesters are successfully completed.
- A lateral entry student shall be eligible to get his/her CGPA upon successful completion of the courses of III to VIII semesters within the stipulated time period as per the norms specified in 8.
- Any student who has given more than 4 chances for successful completion of I / III semester courses and more than 3 chances for successful completion of II / IV semester courses shall be permitted to attend V / VII semester classes ONLY during the subsequent academic year as the case may be. In simpler terms there shall NOT be any ODD BATCH for any semester.

Note: Grade AB should be considered as failed and treated as one head for deciding academic progression. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

6 AWARD OF GRADES

6.1 Sessional Examination:

Two Sessional examinations shall be conducted for each theory / practical course as per the schedule fixed by the college(s). The scheme of question paper for theory and practical Sessional examinations is given below. The preparation of Sessional Question paper will be responsibility of respective college(s). The average marks of two Sessional examinations shall be computed for internal assessment as per the requirements.

Sessional examination shall be conducted for 30 marks for theory and shall be computed for 15 marks. Similarly, Sessional examination for practical shall be conducted for 40 marks and shall be computed for 10 marks.

Question paper pattern for Theory Sessional examinations

For subjects having University examination		
I. Multiple Choice Questions (MCQs) (Answer all 10 questions)	Each MCQs will carry 1 mark	**10 × 1 = 10**
I. Long Answers (Answer 1 out of 2)	Each question will carry 10 marks	**10 × 1 = 10**
III. Short Answers (Answer 2 out of 3) Total	Each question will carry 5 marks	**2 × 5 = 10**
Total		**30 marks**

For subjects having Non University Examination

I. Long Answers (Answer 1 out of 2) = 1 x 10 = 10 Marks

II. Short Answers (Answer 4 out of 6) -4 x 5 = 20 Marks

Total = 30 marks

Question paper pattern for practical sessional examinations

I.	Synopsis		10 Marks
II.	Experiment(s)		25 Marks
III.	Viva voce		05 Marks
Total			40 Marks

6.2 Each student, registered for a non-university examination course, shall be awarded grade by the concerned faculty for the specific course. The grades shall be awarded on the basis of student's performance in various quiz/assignments/laboratory work/class work/ sessional examinations and end semester examination (to be conducted by college(s)).

6.3 The distribution of weightage /marks for examination based courses shall be as mentioned below:

Theory Block			Practical Block	
1	Continuous mode (Quiz, assignment etc.)	10%	Continuous mode (Quiz, assignment, Lab work, Performance etc.)	30%
2	Internal assessment (Sessional Examinations)	15%	End Semester Examination	70%
3	End Semester Examination	75%		
	Total	**100%**	**Total**	**100%**

6.4 **Internal Assessment: Continuous mode**

The marks allocated for continuous mode of Internal Assessment shall be awarded as per the scheme given below.

6.5 Letter Grade and Grade Point System

Each student, registered for a course, shall be awarded grade by the concerned faculty/ faculties for the specific subject/paper. The grades awarded to a student shall depend upon his continuous evaluation through performance in various examinations, assignments, quizzes, laboratory work, class work, minor test and regularity. The grades to be used and their numerical equivalents are as under:

Grading System

Percentage of marks and performances Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00-100	O	10	Outstanding
80.00-89.99	A	9	Excellent
70.00-79.99	B	8	Good
60.00-69.99	C	7	Fair
50.00-59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

6.6 Semester Grade Points Average (SGPA) and Cumulative Grade Point Average (CGPA) shall be calculated as under: -

$$SGPA = \frac{\sum_{i=1}^{n} c_i p_i}{\sum_{i=1}^{n} c_i}$$

Where c is the number of credits offered in the i^{th} subject of a Semester for which SGPA is to be calculated, p: is the corresponding Pi grade point earned in the i^{th} subject, where i = 1,2,3... ... n, are the number of subjects in that semester.

$$CGPA = \frac{\sum_{i=1}^{n} SG_i NC_i}{\sum_{i=1}^{n} NC_i}$$

Where NC, is the number of total credits offered in the j^{th} semester, SG, is the SGPA earned in the j^{th} semester, where j = 1,2,3..... m are the number of semesters in that course.

6.7 Award of Division:

The student shall be awarded division at the end of B.Pharm. Semester VIII after passing all semesters, as per the table given below:

CGPA Score	Division
7.5≤CGPA	First division with Honors
6.0≤CGPA<7.5	First Division
5.0 ≤CGPA<6.0	Second Division

7 CONDONATION OF DEFICIENCY

7.1 Deficiency up to five marks can be condoned in any two of the subject (theory or practical) to the best of the advantage of the student for passing the examinations. The deficiency can be condoned in not more than two subjects (theory and practical of the same subject shall be considered as two separate subjects, for the purpose of awarding grace).

7.2 The candidate whose distinction or first division is affected by 0.01 of CGPA shall be eligible for Condonation of 0.01 CGPA on behalf of the Vice-Chancellor for which the candidate has to apply separately.

8. DURATION FOR COMPLETION OF THE PROGRAM OF STUDY

The duration for the completion of the program shall be fixed as double the actual duration of the program and the students have to pass within the said period.

9. RE-ADMISSION AFTER BREAK OF STUDY

Candidate who seeks re-admission to the program after break of study has to get the approval from the university by paying a condonation fee.

No condonation is allowed for the candidate who has more than 2 years of break up period and he/she has to rejoin the program by paying the required fees.

10. GENERAL

10.1. In matters of admission, attendance, examinations and in all other matters not provided in this ordinance, the courses shall be governed by the provisions of the relevant ordinances of the same in the University so far as they are not in consistent with the provisions of this ordinance.

10.2. In case of any dispute/ambiguity, the ruling of the Vice Chancellor shall be final. However, on the recommendations of the Academic Council the Vice Chancellor shall be competent to change the System/Pattern of the examination as per the Statutory bodies norms.

10.3. In case the State Government/UGC/MPPURC/PCI and other statutory bodies release any guidelines regarding National Education Policy in future, then this ordinance will automatically cover under.

10.4. In case of any dispute, the matter shall be decided under the Jurisdiction of Madhya Pradesh.

10.5 The decision whether to award Grades or numbers shall rest with the BOM of the University.

ORDINANCE-28

Masterof Pharmacy

1. ShortTitleandCommencement:

These regulations shall be called as"TheRevised Regulationsfor theMaster of Pharmacy(M. Pharm.) Degree Program — "Credit Based Semester System (CBSS)". They shall come into effect from the Academic Year 2021-22. The regulations framed are subject to modifications from time to time by the authorities of the university.

2. MinimumqualificationforAdmission:

2.1 Candidate should pass in B. Pharm. Degree examination of an Indian university established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55 % of the maximum marks (aggregate of 4 years of B. Pharm.) Candidates belonging to SC/ST categories will get relaxation as per the norms of State Government of Madhya Pradesh.

2.2 Applicants possessing valid GPAT score shall be given preference over to those candidates who do not possess GPAT score.

2.3 The admissions to M. Pharm. course shall be governed by the rules of the Technical Education and Skill Development Department, Government of Madhya Pradesh, Bhopaland/or any other competent authority authorized by the State government of Madhya Pradesh for this purpose.

2.4 Every student, selected for admission to post graduate pharmacy program should have obtained registration with the State Pharmacy Council or should obtain the same within one month from the date of his/her admission, failing which the admissionof the candidate shall be cancelled.

Note: It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree (B.Pharm.)

3. Durationoftheprogram:

The program of study for M.Pharm shall extend over a period for semesters (two academic years).

4. Medium of Instruction and examination:

Medium of instruction and examination shall be in English.

Working days in each semester shall consist of not less than 100 working days. The odd semesters shall be conducted from the month of June/July to November/December and the even semesters shall be conducted from the month of December/January to June / July in every calendar year.

5. Attendance and progress:

A Candidate is required to put in at least 80 % attendance in individual courses considering theory and practical separately. The candidate small complete the prescribed course satisfactorily to be eligible to appear for the respective examinations.

6. Program/ Course credit structure:

As per the philosophy of Credit Based Semester System, certain quantum of academic work viz. theory classes, practical classes, seminars, assignments, etc. are measured in terms of credits. On satisfactory completion of the courses, a candidate earns credits. The amount of credit associated with a course is dependent upon the number of hours of instruction per week in that course. Similarly, the credit associated with any of the other academic, co/extra-curricular activities is dependent upon the quantum of work expected to be put in for each of these activities per week/per activity.

6.1 Credit assignment:

6.1.1 Theory and Laboratory courses are broadly classified as Theory and Practical. Theory courses consist of lecture (L) and Practical (P) courses consist of hours spent in the laboratory. Credits (C) for a course is dependent on the number of hours of instruction per week in that course. and is obtained by using a multiplier of one (1) for lecture and a multiplier of half (1/2) for practical (laboratory) hours. Thus, for example, a theory course having four lectures per week throughout the semester carries a credit of 4. Similarly, a practical having four laboratory hours per week throughout semester carries a credit of 2.

6.1.2 The contact hours of seminars, assignments and research work shall be treated as that of practical courses for the purpose of calculating credits. i.e., the contact hours shall be multiplied

by 1/2. Similarly, the contact hours of journal club, research work presentations and discussions with the supervisor shall be considered as theory course and multiplied by 1.

7. Minimum credit requirement:

The minimum credit points required for the award of M. Pharm. degree is 95. However, based on the credit points earned by the students under the head of co-curricular activities, a student shall earn a maximum of 100 credit points. These credits are divided into Theory courses, Practical, Seminars, and Assignments. Research work, Discussions with the supervisor, Journal club and Co-Curricular activities over the duration of four semesters. The credits are distributed semester wise. Courses generally progress in sequence, building competencies and their positioning indicates certain academic maturity on the part of the learners. Learners are expected to follow the semester-wise schedule of courses given in the syllabus.

8. Examinations/Assessments

8.1 **End Semester Examination :** The End Semester Examination for each theory and practical course through semester I to IV shall be conducted by the university except for the subject with asterix symbol (*) in table I and II for which examinations shall be conducted by the subject experts at college level and the marks/grades shall be submitted to the university

8.2 **Internal assessment: Continuous mode:**

The marks allocated for continuous mode internal assessment shall be awarded as per the scheme given below.

Table—1: Scheme for awarding internal assessment: Continuous mode

Theory **Criteria**	**Maximum Marks**

80—84	2	2.5
Less than 80	0	0

8.2.1 Sessional Examinations:

Two sessional exams shall be conducted for each theory / practical course as per the schedule fixed by the college(s). The scheme of question paper for theory and practical sessional examinations is given in the table. The average marks of two sessional exams shall be computed for internal assessment as per the requirements given in table.

9. Promotion and award of grade:

A Students shall be declared PASS and eligible for getting grade in a course of M. Pharm. Programmeif lie/she secures at least 50 % marks in that particular course including internal assessment.

10. Carry forward of marks:

In case a student fails to secure the minimum 50 % in any Theory or Practical course as specified in 12, then he/she shall reappear for the end semester examination of that course. However, his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

11. **Improvement of internal assessment:**

A Student shall have the opportunity to improve his/her performance only once in the sessional examinations component of the internal assessment. The re-conduct of the sessional exam shall be completed before the commencement of next end semester theory examinations.

12. **Re-Examination of end semester examinations:**

Re –examinations of end semester examination shall be conducted as per the schedule given in table 3. The exact dates of examinations shall be notified from time to time.

Table – 3 Tentative Schedule of end semester examinations

Semester	For Regular candidates	For failed Candidates
I and III	November / December	May / June
II and IV	May / June	November / December

13. **Allowed to keep terms (ATKT):**

No students shall be admitted to any examination unless he/she fulfills the norms given in 6 i.e 80% attendance in theory and practical's.ATKT rules are applicable as follow:

A student shall be eligible to carry forward all the courses of I and II semesters till the III semester examinations. However, he/she shall not be eligible to attend the courses of IV semester until all the Courses of I, II and III semesters are successfully completed.

A student shall be eligible to get his/her CGPA upon successful completion of the courses of I to IV semesters within the stipulated time period as per the norms.

Note: Grade AB should be considered as failed 'and treated as one head for deciding ATKT. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

14. **Grading of performances:**

Letter grades and grade points allocations:

Based on the performances, each students shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in table – 4

Table – 4: letter grades and grade points equivalent to Percentage of marks and performances

Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 – 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fare
50.00 – 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/ examinations in due course.

15. **The Semester grade point average (SGPA):**

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a studenttakes five courses (Theory/Practical) in a semester with credits C1, C2, C3 and C4 and the student's grade points in these courses are G1, G2, G3 and G4, respectively, and then students* SGPA is equal to:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4}{C_1 + C_2 + C_3 + C_4}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example, if a learner has a F and ABS grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4\text{* ZERO}}{C_1 + C_2 + C_3 + C_4}$$

16. Cumulative Grade Point Average (CGPA):

The CGPA is calculated with the SGPA of all the IV semesters to two decimal points and is indicated in final grade report cord/final transcript showing the grades of all IV semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the failgrades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4}{C_1 + C_2 + C_3 + C_4}$$

Where C_1, C_2, C_3 ,..... is the total number of credits for semester I, II, III.. . And S_1, S_2, S_3..... .is the SGPA of semester I,II,III.....

17. Declaration of class:

The class shall be awarded on the basis of CGPA as follows:

First class with distinction: CGPA of 7.50 and above

First class: CGPA of 6.00 to 7.49

Second class: CGPA of 5.00 to 5.99.

18. Project work:

All the students shall undertake a project under the supervision of a teacher in Semester III and IV and submit a report. One copy of project report shall be submitted to university. The external examiner appointed by the university shall evaluate the project at the time of Practical examinations in consultation with internal.

19. Award of Ranks:

Ranks and medals shall be awarded on the basis of final CGPA. However, candidates who fail in one of more courses during the M.Pharm program shall not be eligible for award of ranks. Moreover, the candidates should have completed the M. Pharm program in minimum prescribed number of years, (two year) for the award of Ranks.

20. Award of degree:

Candidates who fulfill the requirements mentioned above shall be eligible for award of degree during the ensuing convocation.

21. Duration for completion of the program of study:

The duration for the completion of the program shall be fixed as double theactual duration of the program and the students have to pass within the said period, otherwise they have to get fresh Registration.

22. Revaluation/Retotaling of answer papers:

AS per the prevailing norm of University.

Condonation of Deficiency: One grace mark Will be givento the candidate who is either failing a semester or missing distinction/ first division by one mark, on behalf of the vice Chancellor in the M. Pharm. examination.

23. Re-admission after break of study:

Candidate who seeks re-admission to the program after break of study has to get the approval from the university by paying a condonationfee. At any time of course a student can have a maximum break of two year only.

24. Not with standing anything stated in this ordinance, for any unforeseen issues arising, and not covered by this ordinance, or in the event of difference of interpretation, the Vice Chancellor may take a decision after obtaining, if necessary, the opinion/advice of committee consisting of any or all the Dean/Director/Principal/Head of Department/Institutions/Constituent College/School. The decision of Vice Chancellor shall be final.
